OH MUMMY - SCENARIO

Each level has already been partly uncovered by local workers and it is up to your team to finish the dig.

Unfortunately, the workers digging aroused Guardians left behind by the ancient Egyptian Pharoahs to protect their royal tombs.

Each level has 2 Guardian Mummies, one lies hidden while the other goes in search of the intruders.

OH MUMMY - SCENARIO

The partly excavated levels are in the form of a grid made up of twenty 'boxes'.

To uncover a 'box', move your team along the four sides of the box from each corner to the next.

Not all boxes need to be uncovered to enable you to go through the Exit and into the next level.

OH MUMMY - SCENARIO

When you have completed a pyramid, your success will be rewarded either by bonus points or the arrival of an extra member for your team.

The Guardians in the next pyramid, having been warned by those you have escaped from, will be more alert, so although the Guardians cannot follow you from one pyramid to the next, it will pay to be even more careful.
